Plant Saver®

4-7-4

Mycorrhizal Fungi and Biological Fertilizer for Planting Landscapes

ROOTS® Plant Saver® 4-7-4 is used in planting or maintaining a broad range of plants, including: trees, shrubs, annuals and perennials. It contains a blend of ecto and endomycorrhizal fungal spores, beneficial rhizosphere bacteria, 4-7-4 fertilizer, organic amendments, and a comprehensive selection of micronutrients designed to restore soil fertility and address the mineral requirements common to many plants. Also included is Myconate® (formononetin), a patented stimulant of VAM fungi. *Covered by US Patents 5,002,603; 5,085,682; 5,691,275; 5,981,775.

DIRECTIONS FOR USE:

Trees, Shrubs, Perennials, Vines & Landscape Plantings: Thoroughly mix product into backfill at a rate of about 8 ounces of ROOTS® Plant Saver® 4-7-4 per caliper inch or for each foot diameter of root ball.

1. Mix ROOTS® Plant Saver® 4-7-4 evenly into the backfill soil next to the root ball.
2. Pack the treated backfill firmly around the root ball.
3. Mulch and water to soil saturation.

Established Trees and Shrubs: Apply as a vertimulch using an earth auger with a width of about 2.5 inches. Mix 4 ounces of product with soil in each hole drilled to a depth of about 8 to 10 inches. Drill numerous holes in a grid pattern with 2.5 foot spacing to cover the entire area beneath the canopy. Avoid damaging large roots. This 10-pound bag treats 250 square feet by vertical mulching.

Small Plants and Bulbs: Add 1 tablespoon (1/2 ounce) per plant, and mix thoroughly with soil in planting hole.

APPLICATION RATES	
SIZE	Roots® Plant Saver
1 to 2 gallon plant	4 ounces (1/2 cup)
3 to 5 gallon plant	8 ounces (1 cup)
Per caliper inch	8 ounces (1 cup)

WARNING

HAZARD STATEMENTS

Harmful if swallowed.
Causes eye irritation.
May be harmful if inhaled repeatedly over prolonged periods.
Suspected of causing cancer by prolonged/repeated inhalation.

PRECAUTIONARY STATEMENTS

Avoid breathing dust.
Wash hands thoroughly after handling.
Do not eat, drink or smoke when using this product.
Use appropriate personal protective equipment as required to avoid breathing dust.
IF SWALLOWED: Rinse mouth. Immediately call a POISON CENTER or doctor/physician.
If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses and continue rinsing. If eye irritation persists, seek medical attention.
If exposed or concerned, seek medical advice.
Keep out of reach of children.
Dispose in accordance with all federal, state and local regulations.

Persons with severely suppressed immune systems should contact their physician before handling ordinary microbial products.

Unknown acute toxicity: <1% of the mixture consists of ingredients of unknown toxicity

CAUTION to individuals with nut allergies, this product contains peanut skins.

STORAGE: Store in a dry location between 50° and 90°F.

WARRANTY

NOTE To the extent consistent with applicable law, buyer assumes all responsibility for safety and performance if this product is not used according to the directions.

Expiration Date:

i/16
