## 0-3-5 Guaranteed Analysis

Available Phosphate (P <sub>2</sub> O <sub>5</sub> ) .....	3.0%
Soluble Potash (K <sub>2</sub> O) .....	5.0%
Magnesium (Mg) .....	1.8%
1.8% Water Soluble Magnesium (Mg)	
Sulfur (S) .....	3.0%
3.0% Combined Sulfur (S)	
Boron (B) .....	0.02%
Iron (Fe) .....	5.0%
5.0% Chelated Iron (Fe)	
Manganese (Mn) .....	1.2%
1.2% Chelated Manganese (Mn)	
Zinc (Zn) .....	0.5%
0.5% Chelated Zinc (Zn)	

Derived From: Dipotassium Phosphate, Magnesium Sulfate, Iron Phosphate, Manganese Citrate, Zinc Citrate and Sodium Borate. **F699**

**CAUTION:** Boron is recommended for all crops where Boron is deficient; however, excessive application to susceptible crops may cause damage.

Information regarding the contents and levels of metals in this product is available on the Internet at:  
<http://www.regulatory-info-lebsea.com>

This product contains phosphate. It's use on turf should be limited to:

Application to new lawns as a starter fertilizer.

New seeding or repair

Where a soil test within the last 2 years indicates a phosphate deficiency.

Always follow an approved fertilizer management plan.

# AGRIplex® micro-mix®

## Quick Green - Up

### DIRECTIONS FOR USE: Apply only as directed.

AGRIplex® is formulated for soil or foliar application and is designed to supplement all fertilizer programs. It is an excellent tank mix buffer. AGRIplex® can be applied through injection and drip irrigation, fertigation, or sprayer system. Low moisture conditions may limit nutrient uptake, so a minimum dilution of 1:30 in water is recommended. Maximum dilution should not exceed 1:600.

**Compatibility:** AGRIplex® is tank mix compatible with most soluble fertilizers, herbicides, fungicides and absorbent gels. As with all chemicals, read all labels for compatibility verification and, if practical, test on a small area prior to extensive use with other chemicals. If in doubt, call 800-233-1067 with questions.

**DO NOT APPLY WITH ALUMINUM BASED FUNGICIDES.**

### STORAGE

Store and transport AGRIplex® Above 50°F (10°C) in polylined container to maintain product stability. Keep container sealed to avoid moisture loss. Prevent contact between undiluted AGRIplex® and mild steel, aluminum or brass. Use only stainless steel or plastic fittings.

### SAFETY

In case of contact flush with water.

### KEEP OUT OF REACH OF CHILDREN

For Material Data Safety Sheets contact your local distributor or call us at 800-233-1067.

### WARRANTY

**NOTE** To the extent consistent with applicable law, Buyer assumes all responsibility for safety and performance if this product is not used according to the directions.

# AGITATE BEFORE USE

### TURF

Greens & Tees	1 fl. oz./1,000 sq. ft. every 2 weeks - or 2 fl. oz./1,000 sq. ft. every 4 weeks
Fairways	1.5 qt./acre every 2 weeks or 3 qt./acre every 4 weeks
Sports Turf	1 fl. oz./1,000 sq. ft. every 2 weeks or 2 fl. oz./1,000 sq. ft. every 4 weeks
Overseeding	2 fl. oz./1,000 sq. ft. after germination
Sod Installation	2 fl. oz./1,000 sq. ft. at installation

### TREES & SHRUBS Deep Root Feeding

With NPK	1 gal./100 gal. mix in Spring or Fall
Without NPK	1 gal./100 gal. water in Spring or Fall

### TRANSPLANT/MAINTENANCE

Foliar Spray	24 fl. oz./100 gal. mix in Spring, Summer and Fall
Soil Application	4 fl. oz./100 sq. ft. in Spring, Summer and Fall

### NURSERY & GREENHOUSE Soil Application

100 4-5" pots	1 fl. oz./2 gal. every 30 days
100 6-7" pots	2 fl. oz./3 gal. every 30 days
100 8-10" pots	3 fl. oz./5 gal. every 30 days
100 12" pots	4 fl. oz./10 gal. every 30 days

Foliar fertilization is intended as a supplement to a regular fertilization program and may not, by itself, provide all the nutrients normally required by crops or other intended plants.

## WARNING

### Hazard Statements:

Harmful if swallowed

May cause damage to organs through prolonged or repeated exposure.

Causes serious eye irritation.

Suspected of damaging fertility or unborn child via significant ingestion.

May irritate the digestive tract if ingested in quantity.

Keep out of reach of children.

### Precautionary Statements

Obtain special instructions before use.

Do not handle until all safety precautions have been read and understood.

Do not breathe mist, vapors, or spray.

Wash hands and exposed skin thoroughly after handling.

Do not eat, drink or smoke when using this product.

Wear protective gloves/protective clothing/eye protection/face protection.

Use personal protective equipment as required.

**IF SWALLOWED:** Rinse mouth. Immediately call a POISON CENTER or doctor/physician.

If exposed or concerned, seek medical advice.

Get medical advice/attention if you feel unwell.

If in eyes: rinse cautiously with water for several minutes. If eye irritation occurs and persists: seek medical attention.

Collect spillage for proper use or disposal.

Store locked up.

Dispose in accordance with all federal, state and local regulations.
