

roots® AGRIplex® micro-mix®

0-3-5

Guaranteed Analysis

Available Phosphate (P_2O_5)	3.00%
Soluble Potash (K_2O)	5.00%
Magnesium (Mg)	1.80%
1.80% Water Soluble Magnesium (Mg)	
Sulfur (S)	3.00%
3.00% Combined Sulfur (S)	
Boron (B)	0.02%
Iron (Fe)	5.00%
5.00% Chelated Iron (Fe)	
Manganese (Mn)	1.20%
1.20% Chelated Manganese (Mn)	
Zinc (Zn)	0.50%
0.50% Chelated Zinc (Zn)	

Derived from: Dipotassium Phosphate, Magnesium Sulfate, Iron Citrate, Manganese Citrate, Zinc Citrate and Sodium Borate.

F699

DIRECTIONS FOR USE: Apply only as directed.

AGRIplex® is formulated for soil or foliar application and is designed to supplement all fertilizer programs. It is an excellent tank mix buffer. AGRIplex® can be applied through injection and drip irrigation, fertigation, or sprayer system. Low moisture conditions may limit nutrient uptake, so a minimum dilution of 1:30 in water is recommended. Maximum dilution should not exceed 1:600.

Compatibility: AGRIplex® is tank mix compatible with most soluble fertilizers, herbicides, fungicides and absorbent gels. As with all chemicals, read all labels for compatibility verification and, if practical, test on a small area prior to extensive use with other chemicals. If in doubt, call 800-233-1067 with questions.

Turf Maintenance

Greens & Tees 1 fl. oz./1,000 sq. ft. every 2 weeks - or - 2 fl. oz./1,000 sq. ft. every 4 weeks
Foliar fertilization is intended as a supplement to a regular fertilization program and may not, by itself, provide all the nutrients normally required by crops or other intended plants.

(For additional application rates and information about the product visit www.lebanonturf.com)

This product contains phosphorous.

In the states of MD, VA, NH, NJ phosphorous-containing fertilizer that is intended for non-agricultural use may only be used on:

- i) Newly seeded turf or turf during its first growing season
- ii) turf areas being repaired or renovated
- iii) turf where a soil test indicates a phosphorous deficiency

This fertilizer is not intended for the routine maintenance of turf. Do not apply to bare ground.

In the state of MA do not apply more than 2.0lb/1000sqft available phosphate per year.
In the state of NH do not apply more than 1.0lb/1000sqft available phosphate per year.

37-56705

Net Weight: 32 oz (946 mL)

Not labeled for use on food crop sites.

WARNING**Hazard Statements:**

Harmful if swallowed.
 Causes serious eye irritation.
 May be harmful if inhaled.
 May cause respiratory irritation.
 Very toxic to aquatic life with long lasting effects.

Precautionary Statements for handling:

Wash hands and exposed skin thoroughly after handling.
 Do not eat, drink or smoke when using this product.
 Avoid release to the environment.
 Wear protective gloves/protective clothing/eye protection/face protection.
 If in eyes, rinse with water and seek medical attention if symptoms persist.
 Rinse mouth.
 Collect spillage.
 IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell.
 IF INHALED: Call » POISON CENTER or doctor/physician if you feel unwell.
